

Colourtones

CUTEK™EXTREME is available in 10 different CUTEK™Colourtone that are formulated to enhance the natural character and beauty of wood without obscuring the grain. Exterior wood coated with clear CUTEK™EXTREME will silver with age. (Click on Weathered Clear Sample below to view). Note that all colour samples here are shown on western red cedar.

WOOD Protection

Autumntone

Chestnut

Black Ash

Grey Mist

Browntone

Rustic Gold

Burnt Red

Sela Brown

Cedartone

Walnut

Colours shown are digital representations only of 2 coats on Western Red Cedar. The natural colour and density of the wood will dictate the end result, as Colourtones are transparent.
